

PRIVACY POLICY

This is Empower Health Research Inc.'s ("Empower") privacy policy. This document explains Empower's policies for the collection, use and disclosure of personal information. Empower abides by applicable privacy legislation. Empower provides software and services relating to clinical trials.

THE INFORMATION WE COLLECT

Empower collects information by various methods including information actively provided by its clients, and information arising from the provision of services.

The types of personal information Empower collects includes email address, date of birth, name, contact information, and health card number. Clients use our software and services to record information on participants in clinical trials. Not all clinical trials collect all types of personal information.

HOW WE USE THIS INFORMATION

This information is used only to provide our services to the applicable client.

WHO WE SHARE THIS INFORMATION WITH

Empower does not share personal information with any third parties except as disclosed in this policy. Empower may provide personal information to its consultants, subcontractors and professional advisers (which shall be bound by privacy obligations) to assist Empower's uses disclosed herein.

SECURITY

Personal information is stored and is protected by security measures appropriate to the nature of the information.

ACCESSING INFORMATION

Individuals may review their personal information contained in Empower files by contacting the Empower privacy officer. If an individual believes that any of their personal information is inaccurate, Empower will make appropriate corrections. For information about clinical trials contained in Empower software or services, individuals must contact the applicable Empower client.

GENERAL

Empower may amend this policy from time to time by posting an updated version on our website. If such amendments affect how Empower uses or discloses personal information already held by Empower in a material way, Empower will obtain consent.

This policy was last updated on April 20, 2021.

Notwithstanding the general terms of this policy, the collection, use, and disclosure of personal information may be made outside of the terms herein to the extent provided for in any applicable privacy or other legislation in effect from time to time, or pursuant to court orders.
